1.2 Effect of this determination: This Determination takes effect on and from 8 December 2016 except where specified otherwise. It revokes and supersedes in full *Determination 2015/21: Remuneration and Allowances for Holders of Full-Time Public Office (as amended)*.

1.3 Definitions: For the purposes of this Determination, the following definitions apply.

‘Agency’ means the agency to which the Office Holder is attached, or the portfolio department, if the office holder is not attached to an agency.

'Base Salary' means the applicable amount specified in Clause 2.1 of this Determination.

'Benefits' means all non-monetary benefits provided at the employer's expense to or on behalf of an Office Holder as a personal benefit, including a vehicle (where provided – refer Clause 2.6), the value attributed by the Remuneration Tribunal to the Employer Superannuation Contribution (refer Clause 2.5) and any other benefits received by way of remuneration packaging (refer Clause 2.4)

'Employer' means the Commonwealth and includes any person authorised to exercise powers, perform acts, grant approvals or give directions for, or on behalf of, the Commonwealth.

'Employer's Superannuation Contribution' means:

- (a) in respect of a member of a Commonwealth defined benefit scheme (including the Commonwealth Superannuation Scheme or the Public Sector Superannuation Scheme), the value attributed to the Employer's Superannuation Contribution in accordance with sub-clauses 2.5.1, 2.5.2, 2.5.4 or 2.5.5; or
- (b) in respect of a member of the Public Sector Superannuation Accumulation Plan, 15.4% of ordinary time earnings (OTE) for the office holder; or
- (c) in respect of a member of any other fund, the minimum level of employer superannuation contribution that would reduce to zero the charge percentage for that Office Holder under section 23 of the *Superannuation Guarantee (Administration) Act 1992*.

Contributions made on a salary sacrifice basis do not form part of the Employer's Superannuation Contribution: these are covered by clause 2.4 (Remuneration packaging).

'Office Holder' means the holder of an office listed in Column 1 of Table 2A of this Determination.

'Total Remuneration' is the amount shown in Clause 2.1 of this Determination. Total Remuneration represents the value, calculated at the total cost to the employer (including Fringe Benefits Tax), of:

but does not include:

- facilities provided as business support as referred to in Part 2;
- allowances specified in Part 3;
- reimbursement of expenses incurred on geographic relocation following appointment as an Office Holder, in accordance with agency policies and practices where approved by the employer;
- travelling allowances and expenditure referred to in Part 4;

- (a) the Office Holder's annual rate of salary for the purposes of the scheme is the office Holder's Base Salary; and
- (b) the value attributed to the Employer's Superannuation Contribution is taken to be 15.4% of the Office Holder's Base Salary.

2.5.6 For an Office Holder who is a member of any other superannuation fund, the Employer's Superannuation Contribution is to be made at the rate elected by the Office Holder, which must not be less than a rate that would, under section 23 of the *Superannuation Guarantee (Administration) Act 1992*, reduce the charge percentage in relation to that Office Holder to zero.

2.5.7 No cash in lieu: The value attributable by virtue of this clause to the Employer's Superannuation Contribution is referable to a non-salary component of Total Remuneration and may not be the subject of an election to take an equivalent amount of salary instead.

2.6 Vehicles: Where an Office Holder accepts an offer of an agency owned or leased vehicle for private use, the Office Holder's Total Remuneration will be reduced by the actual cost of the vehicle to the agency and fringe benefits taxation, less a reasonable amount (if any) reflecting business usage patterns. Where an Office Holder has access to an agency owned or leased vehicle for private use, the Office Holder will be considered to have accepted an offer of a vehicle for the purposes of this provision. Any business usage amount is to be assessed on log book records for at least a 12 week representative period. Where the annual business kilometres are less than 5,000 it will be based on the 'cents per kilometre' method. Where business kilometres are 5,000 kilometres or more, the percentage of business use to total kilometres travelled per annum will be applied to the total cost of the vehicle.

2.6.1 Vehicle parking: Where an Office Holder accepts an offer of a car park at Commonwealth expense, the actual cost (including fringe benefits tax) of the car park to the Agency will be a Benefit for Total Remuneration purposes.

2.7 Business Support: Where an Office Holder is provided with communications, information technology and other office facilities necessary for the efficient conduct of his or her office, incidental private use of those facilities by the Office Holder does not necessitate the value of the facilities being included in Total Remuneration.

PART 3 – ALLOWANCES

3.1 Accommodation Allowance: The Office Holders listed in Column 1 of Table 3A will be eligible to receive an accommodation allowance (subject to expenditure) as shown in Column 3 of Table 3A whilst they occupy the office shown in Column 2. This amount is to assist the Office Holder in meeting settling-in and commercial rental accommodation costs (including one-off utility connection costs) in the office location:

- (a) while they also continue to have a property other than in the office location, as their principal place of residence; and
- (b) it will not be paid for such periods that they live in premises owned by them at the office location.

An Office Holder will not be eligible to access travel allowance entitlements in the home locality or the office locality whilst they remain eligible to receive the accommodation allowance. However, where in terms of the ongoing arrangement it would clearly be more cost effective for the agency to provide travel allowance entitlements in the office locality, the agency should decide at the earliest practical opportunity to pay travel allowance rather than the accommodation allowance.

Where the commercial accommodation does not include cooking facilities, the cost of meals may form part of the payment, within the accommodation cap set for an Office Holder.

Where the Agency decides, as provided in Clause 3.1 of this Determination, to pay an office holder travel allowance instead of accommodation allowance, any reunion travel allowance in Table 3B for that Office Holder will cease to apply at the same time.
- 3.2.1 Who can use reunion travel?** The allowance provided in Clause 3.2 and specified in Table 3B is intended to facilitate personal travel by the office holders identified in that Table. However, where the office holder certifies that the workload and responsibilities of the office prevents him or her from travelling to the principal place of residence for reunion purposes, reunion travel by the office holder's partner and/or a child or children of the office holder or his or her partner, whose normal place of residence is the office holder's principal place of residence, can be funded within the financial limits of the allowance.
