Note: Some instruments mentioned in subsection (1) contain provisions that exclude, limit or modify the application of this instrument in relation to particular offices.

### 9 General principles for administering this instrument

- (1) This instrument is intended to be administered in accordance with the principles in this section.

Section 9

---

- (2) Office holders are not expected to gain or lose financially as a result of travelling on official business.
- (3) Office holders must only incur expenses, or commit the Commonwealth to meet expenses, where funds are lawfully available to do so.
- (4) Travel may only be undertaken where its purpose is consistent with the duties of the office holder.
- (5) When making travel arrangements, office holders are to consider the following:
  - (a) the necessity of travel and potential alternatives to travel, such as teleconferencing or videoconferencing;
  - (b) the total cost of travel, including value for money;
  - (c) any travel-related administrative guidelines put in place by their agency;
  - (d) the flexibility to maintain an appropriate balance between work and home responsibilities, as well as safety and security.

## Part 3—Travel on official business

### 10 Class of travel

An office holder who travels on official business is entitled to travel at the class of travel set out in the following table (*Table 3A*) for the office holder's travel tier. However, the office holder may choose to travel at a lower class if that would be more convenient or appropriate.

<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>
<b>Travel tier of office</b>	<b>Class of travel—within Australia</b>	<b>Class of travel—overseas</b>
Tier 1	Highest available	First class or business class
Tier 2	Business class	Business class
Tier 3	Economy class	Economy class

### 11 Upgrade

#### *Accompanying travel*

- (1) An office holder may upgrade the office holder's class of travel in order to accompany a person travelling at a higher class of travel if it is demonstrably in the interest of the Commonwealth to do so.

#### *Lengthy flight*

- (2) An office holder who is entitled to travel economy class may upgrade to business class (for domestic and international travel) if the duration of the flight exceeds 5 hours.

### 12 Accompanied travel

- (1) An office holder may be entitled to be accompanied by the office holder's spouse or de facto partner for purposes relating to official business at Commonwealth expense when travelling within Australia or overseas in accordance with this instrument.
- (2) Accompanied travel may occur only if the office holder's employing authority certifies in writing that it is demonstrably in the interest of the Commonwealth, given the purpose of the travel, for the office holder to be accompanied by the office holder's spouse or de facto partner.
- (3) If the office holder's spouse or de facto partner accompanies the office holder, the spouse or de facto partner may travel at the same class of travel as the office holder.

Section 13

---

**13 Agency travel providers**

Office holders are encouraged to use their agency's travel-related preferred provider arrangements where these exist.

**14 Frequent flyer points**

Frequent flyer points accrued at the Commonwealth's expense are not to be used for private purposes.

## **Part 4—Travel expenses and travel allowance**

### **Division 1—General provisions for travel expenses and travel allowance**

#### **15 Payment of travel expenses and travel allowance**

- (1) If an office holder travels on official business which requires an overnight absence, travel expenses are to be met, and travel allowance is to be paid, in accordance with this Part.

*Day travel*

- (2) No travel allowance is payable for travel on official business that does not require an overnight absence.

#### **16 Accompanied accommodation costs**

If:

- (a) the Commonwealth meets the travel costs of the office holder's spouse or de facto partner accompanying the office holder in accordance with section 12 (accompanied travel); and
- (b) evidence is provided that there is a difference in cost between a single and double room in the commercial accommodation used;

the amount of the difference is to be added to the amount of travel allowance that would otherwise be paid.

#### **17 No double payment**

No payment of travel allowance or expenses is to be made under this instrument to the extent that the office holder claims or receives travel allowance or reimbursement of travel expenses under any other source or entitlement for the same travel.

## **Division 2—Travel within Australia**

### **18 Travel within Australia**

This Division applies to travel on official business within Australia.

### **19 Travel allowance for travel within Australia**

- (1) For each overnight absence on travel for official business within Australia for which the office holder stays in commercial accommodation, the office holder is to be paid travel allowance, subject to this Part, at the rates in:
  - (a) for travel to a capital city—Table 6A;
  - (b) otherwise—Table 6B.

Note: The rates in Tables 6A and 6B are intended to cover the costs of accommodation and meals, and incidental costs.

- (2) Subject to this Part, the rates in Table 6A or 6B are to be paid to the office holder for each overnight absence regardless of the time of departure from, or arrival at, the office locality or home base.

### **20 Part payment of travel allowance**

- (1) If the cost of accommodation is met by an entity other than the office holder, the amount of travel allowance payable is the “Total” amount in Table 6C or 6D.
- (2) If the cost of a meal or meals is met by an entity other than the office holder, the amount of travel allowance is to be reduced by the meal amount or amounts in Table 6C or 6D.

### **21 Non-commercial accommodation**

If the office holder does not stay in commercial accommodation, but stays in accommodation such as the home of a family member or friend, a rate of one third of the specified travel allowance is payable (rounded upwards to the nearest dollar).

### **22 Unavoidable higher accommodation cost**

If the employing authority certifies that the office holder is required to obtain high cost accommodation, an additional payment may be made to the office holder in accordance with the following:

- (a) the requirement must be due to the unavailability of accommodation of a reasonable standard at a locality, which would have avoided this additional payment;
- (b) the additional payment is to be based on the excess cost of accommodation over the travel allowance rate (after deducting the relevant “Total” amount in Table 6C or 6D (meals and incidentals) from the travel allowance rate);

- (c) the additional payment is to be calculated on accommodation expenses and travel allowance for the entire trip.

### **23 Additional meals**

- (1) If an office holder is absent for a greater number of meal periods than that covered by the travel allowance payment (the rate nominally covers 3 meals per day) and provides evidence that actual meal costs exceeded the meal component for the absence, payment at the rates set out in Table 6C or 6D may be made for the additional meal or meals.
- (2) Subject to certification by the employing authority, this may include meal periods on the day of return to an office holder's home base or office locality where, ordinarily, no travel allowance would be payable.

## Division 3—Overseas travel

### 24 Travel allowance for overseas travel

#### *Accommodation*

- (1) When travelling overseas on official business, an office holder is entitled to accommodation at Commonwealth expense. Accommodation is to be at a standard reasonably equivalent to that provided for the office holder in Australia.

#### *Meals and incidentals*

- (2) An office holder travelling overseas on official business is to be paid, for meals and incidentals, the total meals and incidentals amounts set out in the *Taxation Determination TD 2018/11* (the **taxation determination**) for the destinations in Table 9 of the taxation determination.
- (3) For the purposes of subsection (2):
  - (a) tier 1 office holders are to receive the amounts for the highest salary level specified in the taxation determination; and
  - (b) tier 2 office holders are to receive the amounts for the middle salary level specified in the taxation determination; and
  - (c) tier 3 office holders are to receive the amounts for the lowest salary level specified in the taxation determination.

## **Part 5—Official travel by motor vehicle**

### **25 Vehicle travel**

- (1) Subsection (3) applies to use of a vehicle for an office holder's travel on official business where the agency does not supply the office holder with a vehicle that can be used for the purposes of the travel.
- (2) However, if the office holder is provided with an agency vehicle at the office holder's home base, subsection (3) does not apply to any journey commenced from the home base.
- (3) The office holder may choose to hire a vehicle or use the office holder's own vehicle to travel on official business where it is demonstrably in the interest of the Commonwealth to do so. In such circumstances the Commonwealth is to:
  - (a) meet the cost of a rental vehicle; or
  - (b) pay a motor vehicle allowance at the rate of 68 cents per kilometre where a private vehicle is used for the journey. Any private vehicle used for this purpose must be comprehensively insured.

### Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

### Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

### Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
